

## Title: Like Wheat in the Field

### Verse 1

To die is to live, like wheat in the field,  
It's this sacrifice where true purpose can be revealed,  
Standing tall is fruitless, where it's not easy to see,  
It's only in the bowing of our head, and the bending of our knee,  
its in the call, "your will not mines be done",  
Do we enter into communion of two spirits becoming one,

### Chorus:

Two god's, and a choice, mammon leads many astray.  
But the road paved in perfect blood is your life's only way.  
Two god's, and a choice, mammon leads many astray.  
But the road paved in perfect blood is your life's only way.

### Verse 2

As you abide In Christ and He abides in you,  
Will you then understand the trials you lived through.  
Questions asked will return with heavens call  
But in order to answer, your wheat must be willing to fall.  
There is sacrifice to glory, much beauty in the pain  
But to lay down your life, this is where you truly gain.

### Chorus:

Two god's, and a choice, mammon leads many astray.  
But the road paved in perfect blood is your life's only way.  
Two god's, and a choice, mammon leads many astray.  
But the road paved in perfect blood is your life's only way.

### Bridge

The world is an idol, you must learn to see,  
It was once perfect, but now the throne of the Enemy.  
To desire the imperfect, is to live in a lie,  
It's to reject the cost of Jesus who was raised oh so high,

A ransom is paid to the guilty of the field,  
A decision to be made, your life, you must yield.
